Who We Are

Piedmont Athens Regional is one of northeast Georgia's largest not-for-profit hospitals and is leading real change in how healthcare is provided in Athens and surrounding counties. The 427-bed acute care hospital features a regional Level II trauma center and a Level III neonatal ICU, as well as an extensive network of respected primary care physicians and specialists who provide comprehensive care to patients of all ages. Founded by physicians in 1919, the hospital has garnered national acclaim in patient experience, comprehensive cardiac care including open heart and thoracic surgery, orthopedics, neurosciences, minimally invasive surgeries, obstetrics and gynecology, pediatrics, oncology, and gastroenterology. Today, Piedmont Athens Regional is committed to providing accessible healthcare by making seamless connections between patients and providers.

Piedmont Athens Regional serves as an educational training site for hundreds of medical students from the Augusta University/University of Georgia Medical Partnership and is proud to be the official healthcare provider for the University of Georgia Athletic Association and The Classic Center.
