Who We Are

Piedmont Cartersville Medical Center is a 139-bed not-for-profit, acute care hospital, Chest Pain Center, Certified Primary Stroke Center, Level III Trauma Center, and Certified Total Joint Program facility accredited by DNV. The Breast Imaging Center provides mammography services that are gold seal accredited by the American College of Radiology. The Advanced Wound Healing Center provides specialized treatment for chronic or non-healing wounds. The Hope Center, a regional cancer treatment facility, is conveniently located on the hospital campus and provides over 3,000 radiation oncology treatments with over 200 new patients per year from a 10 county region.
