

Mac OS X 10.10 CRH VPN Installation Instructions

- 1. Launch Safari, and navigate to <u>https://vpn.columbusregional.com</u>
- 2. Log in with your NTERPRISE username and password

Columbus Regional Health		
	Columbus Regional Health Web VPN Please enter your usemane and password.	
	USERNAME: [12345 *] PASSWORD: * *	

 The application will attempt to auto-detect, but will fail and instead provide a download link. Click the link labeled 'Mac OS X 10.8+ (Intel)' to download the software.

4. Open Finder, and navigate to the Downloads folder and find the file that was just downloaded. It will be called 'anyconnect-macosx-<version>-web-deploy-k9.dmg'. Double-click to open it.
