

Comprehensive care and support close to home

2024 Kidney Transplant Support Group

Piedmont Transplant Institute in partnership with Apex Health Innovations offers a monthly support group to anyone whose life is touched by kidney disease. We are encouraged to come together to learn, to share mutual experiences and to support each other throughout the kidney disease process. Pre-kidney transplant patients, patients on dialysis, post-kidney transplant patients, living donors, caregivers, friends and family members and ALL are encouraged to attend!
