

# Respiratory Virus Season (RVS) Program Policy Updates 2024-2025

## General Vaccine Questions

- Students and Clinical Faculty are strongly encouraged to receive this year's updated 2024-2025 Flu and COVID-19 vaccines to be considered up to date with CDC recommendations
- To be up to date for this season, Students and Clinical Faculty must receive both an updated 2024-2025 COVID-19 and Flu Vaccine.
- Any student or clinical faculty who wishes to decline either vaccine must follow the declination process within ACEMAPP.

## Masking Guidance

- Anyone who does not receive an updated 2024-2025 COVID-19 vaccine **and** the updated flu vaccine will be required to mask while in a clinical area within a Piedmont facility from **November 1, 2024 – March 31, 2025**.
- Clinical Area is determined by entity leadership
