A Message from our Leadership

Piedmont's purpose is to make a positive difference in every life we touch, and Piedmont Augusta Foundation plays a critical role in the sustainability of that mission. As a nonprofit hospital system, philanthropy is an essential vehicle for ensuring that every patient receives the safe, high-quality care they deserve close to home. In this issue of Piedmont Augusta Foundation's Annual Impact Report, you will find details on the ways your philanthropy is working to help us transform healthcare and create a destination known for the best clinicians and a one-of-a-kind experience that always puts patients first.

Your gifts go directly to support our local efforts to assist our patients, their families, and our employees. Because of you, Piedmont Augusta Foundation has been able to:

- Assist patients with critical expenses such as medication, wearable defibrillators, counseling, transportation, and more
- Provide free screenings through the Mobile Mammography Unit
- Support the hospital's work towards Comprehensive Stroke Program certification
- Award substantial assistance via nursing scholarships and staff continuing education
- Cover critical expenses for Piedmont Augusta employees experiencing financial crises

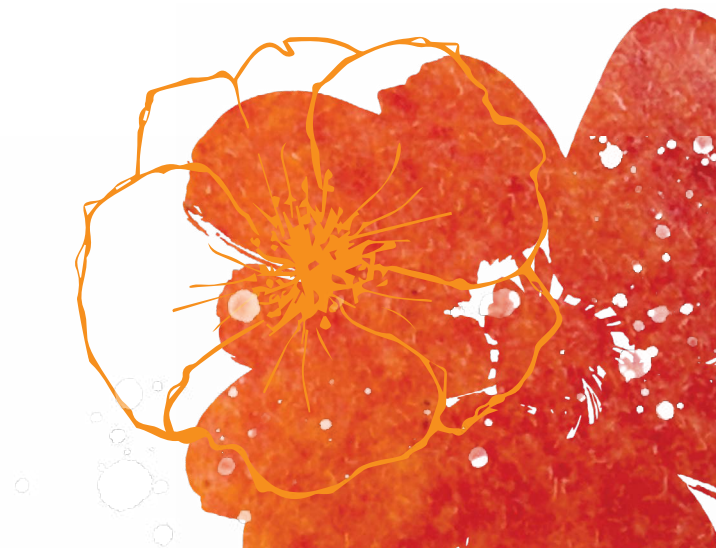

We are honored that you have entrusted Piedmont Augusta Foundation to make every dollar count towards improving the lives of our community. Together, we are creating a stronger, healthier CSRA.

Anne Catherine Murray
Executive Director
Piedmont Augusta Foundation

Josh Rafoth, M.D.
Board Chair
Piedmont Augusta Foundation

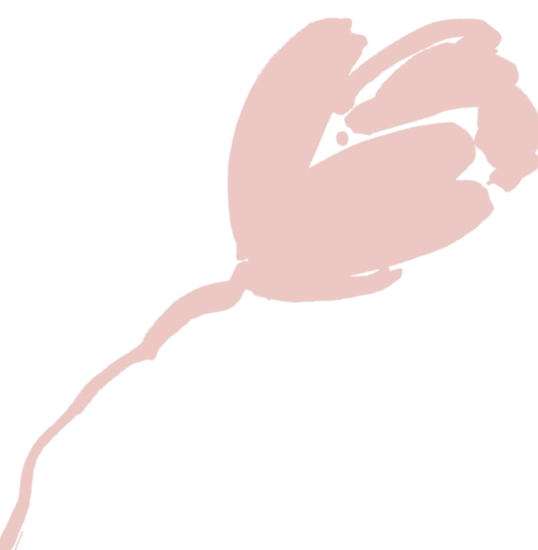

Piedmont Augusta Foundation Welcomes New Executive Director

On February 26, 2024, Piedmont Augusta welcomed Anne Catherine Murray as its new executive director of philanthropy. Prior to joining Piedmont, Anne Catherine served for nine years as the executive director of the Augusta Symphony and the Miller Theater. In that capacity, she strategized the pursuit of all grants and fundraising, and she was responsible for overseeing administrative and personnel, budgeting, marketing, and working with the music director to maintain artistic excellence and exceed audience expectations. She oversaw the \$23 million renovation of the historic Miller Theater, the fundraising and construction of the Knox Music Institute, and she was a driving force behind the implementation of a group music therapy program, now part of Community Chords Music Therapy for adults with intellectual and developmental disabilities.

Other pertinent prior experience includes co-founding and leadership of Turn Back the Block, Inc., the nonprofit organization that works to revitalize Augusta's Harrisburg community. Additionally, Anne Catherine was vice president of Flywheel LLC, where she managed the rehabilitation and adaptive use of several historic buildings, including Enterprise and Sutherland Mills.

"As you all know, Piedmont strongly supports keeping philanthropy local, with dollars raised in Augusta benefitting the Augusta community. For that reason, it was extremely important to me and your leadership team to find an executive director of philanthropy with deep roots in Augusta and a love for this community. We have found the perfect team member in Anne Catherine, and we could not be more pleased that she is joining the Piedmont family."

- Dr. Lily Henson, Augusta CEO

Jernigan Golf Tournament

38 years of assistance

2024 Total: \$244,000

The 38th Jernigan Golf Tournament was a huge success, raising \$244,000 for Piedmont Augusta's Comprehensive Stroke Program. We extend a heartfelt thanks to our wonderful sponsors, volunteers, and marshals who make this tournament possible. We are also grateful for the amazing level of participation from our Piedmont employees. Funds raised will allow us to support stroke education for all our employees and new, updated equipment for our current stroke program. In the last two years of the Jernigan tournament, we have raised over \$500,000 towards the achievement of Comprehensive Stroke Program status in August of 2024.

Congratulations to our winners:

Donor Spotlight

Piedmont Augusta Volunteer Board

The Volunteer Board of Piedmont Augusta is Piedmont Augusta Foundation's largest donor, contributing more than \$3.6 million since inception to support patient care, vital equipment purchases, hospital improvements, mobile mammography, nursing scholarships, and so much more. In the 2024 fiscal year, the Volunteer Board of Piedmont Augusta reinvested significantly in our hospital. Through the critical businesses that they operate, which include hospital vending, Uniform Shop, Magnolias Boutique, Sunshine Gift Shop, and The Bistro, the Volunteer Board was able to donate \$50,000 to the 2023 Miracle Mile Walk to fund lifesaving mammograms for women in our community and an additional \$50,000 to our 2024 Jernigan Golf Tournament to support our Comprehensive Stroke Program. They also gave \$25,000 to the NICU and \$6,000 to Magnolias Boutique in Piedmont Augusta's Breast Health Center for camisoles for breast cancer patients. They also allocated \$13,937 for four GE V100 automatic blood pressure units for Piedmont Augusta's Advanced Heart Failure Center. The Volunteer Board has also pledged \$100,000 for Nursing Scholarships over the next four years, ensuring that nursing education is within financial reach. This outstanding team of volunteers donates more than 30,359 hours (about three and a half years) of service annually to our hospital, which equals over one million dollars worth of volunteer hours. The Foundation salutes the Volunteer Board's continuous support of Piedmont Augusta.

Knox Foundation

The Knox Foundation has historically played a major philanthropic role in our hospital, and fiscal year 2024 was no exception. Piedmont Augusta is sincerely grateful to the Knox Foundation for their generous donation to fund Piedmont McDuffie's new 128-slice CT scanner. The new CT scanner allows for advanced-quality imaging and is safer for patients and staff providing imaging services. For twenty years, the Knox Foundation has supported breast health in our community through gifts to the Miracle Mile Walk, and we are grateful to have their support again with a \$25,000 gift to the 23rd Annual Miracle Mile Walk. Their impressive donations significantly impact our hospital in Thomson and empower hundreds of breast cancer patients in our community.

Is your name missing?

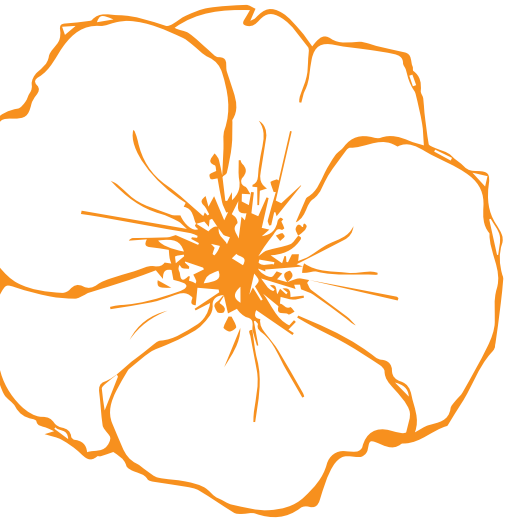

This impact report contains names of individuals and businesses who have made gifts to Piedmont Augusta Foundation that were processed between July 1, 2023, and June 30, 2024. Contact the Foundation at foundation@piedmont.org or **706.667.0030** if we omitted your name in error, or if you have questions or corrections.

1818 Celebration

Since 1978, Piedmont Augusta Foundation has raised millions of dollars to support our local hospital, its staff, physicians, and patients. As you have seen in this 2024 Impact Report, our donors contributed locally to patient and employee financial assistance efforts, scholarships and continuing education for staff, mammograms for hundreds of women, equipment purchases, our Comprehensive Stroke Program, and pastoral care expenses. Piedmont Augusta Foundation donors help us make a positive difference in every life we touch. At the end of each year, it is our pleasure to thank our most generous donors with the 1818 Society Celebration. On December 7th, 2023, Piedmont Augusta Foundation hosted the annual 1818 Society Celebration at the beautiful home of Mr. and Mrs. Brian Rhodes. The evening was filled with delicious food, fellowship, and the holiday spirit. Thank you to our donors who are empowering change in health care close to home!
