

About *Piedmont McDuffie*

2460 Washington Road • Thomson, Georgia 30824 • 706.595.1411 • piedmont.org

Who We Are

Piedmont McDuffie (formerly University Hospital McDuffie) was founded in 1952. This 25-bed not-for-profit medical center serves McDuffie, Glascock, Jefferson, Lincoln, Warren, Wilkes, Taliaferro and western Columbia counties. The hospital joined the Piedmont family on March 1, 2022, and we remain dedicated to making a positive difference in every life we touch.

Piedmont McDuffie is committed to providing advanced care close to home. In order to fulfill that commitment, we continuously invest in new equipment. This year, we upgraded our CT machine to a 128-slice scanner, allowing us to do additional studies and diagnose strokes much quicker with integrated AI software. We will also begin offering MRI services in Spring 2025.
